

Celebrate Read Across America Week with a fundraiser that does more than raise money... it inspires a love of reading!

With our FundGive donation-based platform, your Read-a-Thon practically runs itself. We handle the technology, automation, and tracking so you can focus on what matters most: encouraging kids to read!

### Why Schools Love Our Read-a-Thons:

-  **Your group retains 100% of all donations made by check or cash!**
-  **The program features an Online Store, allowing friends and family to donate online. Donations made online yield a 75% profit for your group.**
-  **All donations, whether made by cash, check, or online, are tax deductible. Online donations receive automatic tax receipts!**
-  **Promotes literacy during one of the most celebrated reading weeks of the year**
-  **Super simple to run with our automated platform. No school delivery is required, and there is no need for volunteers!**
-  **We provide everything that you need to make this an easy, fun, profitable and successful event!**

**This March, make reading even more meaningful.**

**A Read-a-Thon is fun for kids, easy for you, and impactful for your school.**
